

**Job Opportunity
Maintenance Mechanic
Duro Bag Mfg. Co.
Alsip, Illinois**

Duro Bag Mfg. Co., the nation's leading manufacturer of paper bags, has an outstanding opportunity for a multi-skilled maintenance mechanic at its Alsip, Illinois facility. The location is convenient for potential employees from Chicago, the south suburbs, and northwestern Indiana.

The available position is on the third shift. The shift maintenance mechanic supports production by trouble shooting mechanical and electrical equipment problems and making the necessary repairs or improvements to maintain machine efficiency and safety. They work closely with the shift supervisors, machine adjusters, and operators to provide technical support to the plant. While most of the job is mechanical in nature, candidates are expected to have knowledge and skills in some or all of the following areas:

- Electricity and power distribution
- Hydraulics
- Pneumatics
- Electronics and PLCs
- Welding
- Machining and part fabrication
- Building maintenance

The ideal candidate will have 3 or more years of maintenance experience in a manufacturing environment. The ability to work safely in a high speed manufacturing facility is a requirement.

Duro offers an attractive and competitive wage and benefits program including medical, dental, life, and disability insurance as well as a 401k retirement savings plan. We also offer a clean, safe, and friendly work environment where your contributions will be appreciated.

Duro Bag Mfg. Co. is an equal employment opportunity employer (M/F/D/V)

You may submit your resume by fax, e-mail, mail, or by application at the plant.
