

Pace Express Route 889

Pace introduces Express Route Network
New service between Harvey and Rosemont

New Route! Pace Suburban Bus is pleased to announce a new addition to its Express Service Network: Route 889 Harvey/Blue Island - Rosemont Express. This route will begin on Monday, November 30 with weekday rush hour service between the Harvey Transportation Center and Rosemont along I-294, with intermediate stops in Harvey, Blue Island, and Alsip.

Pick-up and drop-off locations:

- Harvey: Pace Harvey Transportation Center at 154th St. and Park Ave.
- Harvey: 154th St. and Dixie Highway
- Blue Island: 127th St. and Lincoln St.
- Blue Island: 127th St. and Western Ave.
- Blue Island: Pace Park-n-Ride Blue Island at 127th St. and Kedzie Ave.
- Alsip: 127th St. and Pulaski Rd.
- Rosemont: CTA Blue Line Station on River Rd.

For only \$4 per one-way trip, Pace's Express Service Network is designed to improve connectivity throughout Northeast Illinois and provide access to jobs, schools and medical care that may not be available in a rider's local area. The Express Service Network includes three new routes (Routes 655, 755 and 889) and another that's already in service (Route 855). These services provide additional transit options for those looking for alternatives to the high cost and stress of traveling by car.

This service improvement has been made possible by a JARC (Job Access and Reverse Commute) program grant. Visit www.pacebus.com for maps, schedules and Park-n-Ride locations or call (312) 836-7000 for travel information.
